Versailles Luxury Apartments

Versailles Luxury Suites and Apartments offers a serene, yet luxurious escape amidst the Atlantic Seaboard, within walking distance of Cape Town's most sought-after attractions. This residence exceeds expectations, gracefully blending old-world charm with modern-day convenience, and offers ample space for oceanfront tranquility and cultural exploration.

Within walking distance of The Green, Rocklands Beach, and the architectural gem of the Sea Point Hebrew Congregation, this upscale venue places visitors discreetly within a fifteen-minute radius of the city's iconic stadium and seafront promenade. A rooftop deck crowns the experience with dramatic views and a heightened feeling of escape beneath African skies.

All apartments are laid out beautifully for long-term comfort. Thoughtful design includes fully serviced kitchens with microwave ovens and full-size refrigerators, while flat-screen TVs and free WiFi bring relaxation and convenience. In-room safes and air conditioning also create a true home away from home in the city.

Begin the day with a refreshing dip in the outdoor swimming pool or a workout in the beautifully furnished gymnasium.

For those who wish to explore more sophisticated cultural gems, the Chavonnes Battery Museum and the Christopher Moller Art Gallery, both winners of prestigious awards, are just a short walk away. The Rockwell Dinner Theatre, a Cape Town tradition, is also an easy walk and offers a light-hearted insight into the city's vibrant theatre scene.

For day visits or longer stays, Versailles offers an ideal harmony of form and function. On one side, the busy hum of the Clock Tower shopping complex is just a short drive away, while on the other, the cultural depth of the Slave Lodge Museum and stately Cape Town Parliament anchor the city's rich history. For convenient arrivals and departures, Cape Town International Airport is just 23 kilometers away, with the St Bedes bus terminal nearby.
